EMAIL (OPTIONAL) NIC NUMBER

Follow these 3 simple steps to create your student account.

Enter 10 or 12 characters

WhatsApp

7) Fill in your personal information/ ඔබගේ පුද්ගලික තොරතුරු ඇතුළත් කරන්න.

The screenshot shows the 'Start Your Science Journey' registration page. On the left, there are three steps: Step 1 (Enter your mobile number), Step 2 (Verify the 6-digit OTP sent to you), and Step 3 (Fill in your academic details). The right side contains a registration form with the following fields: FULL NAME (Viraj Jayawickrama), EMAIL (OPTIONAL), NIC NUMBER, SCHOOL, ADDRESS, PROVINCE (Western Province), DISTRICT (Gampaha), and CITY. A yellow arrow points to the FULL NAME field. A 'WhatsApp' button is visible on the right.

8) Create a password/ මුර පදය සකසන්න

The screenshot shows the registration page with the 'PASSWORD' and 'CONFIRM PASSWORD' fields highlighted. A yellow arrow points to the 'PASSWORD' field. Below these fields is a 'Complete Registration' button and a 'Back to Sign In' link. The 'WhatsApp' button is also visible on the right.

9) Re-enter the same password & click on the complete registration button/ කලින් ඇතුළත් කළ මුර පදය නැවත ඇතුළත් කර, complete registration button එක ඔබන්න

The screenshot shows the registration page of the VIRAJ JAYAWICKRAMA system. The page is divided into three main sections: instructions on the left, a registration form in the center, and a sidebar on the right. The instructions section lists three steps: entering a mobile number, verifying a 6-digit OTP, and filling in academic details. The registration form contains fields for SCHOOL, ADDRESS, PROVINCE (Western Province), DISTRICT (Gampaha), CITY, PASSWORD, and CONFIRM PASSWORD. The CONFIRM PASSWORD field is highlighted with a red rectangle. Below the form is a blue 'Complete Registration' button, which is pointed to by a yellow arrow. Another yellow arrow points to the CONFIRM PASSWORD field. A 'Back to Sign In' link is located below the button. The sidebar on the right includes a WhatsApp button and a rocket icon.
